Every erime of special daring, and where reckiess bravery was required, has been charged up to the gang of outlaws who have no home but a rendezvous in the mountains of the state of Sonora Mexico, and who, following a chief. whose identity is kept buried under known to the California Fig Symp Black, commit depredations on ranches and postoffices, and dynamics trains with impunity. The origina Black Jack is dead, but the title passes in succession to the heads of the gang.

It was four members of the Biack Jacgang who rode into the border town of Nogales and held up a bank in broad day light in the face of 1,800 people.

Postoffice Inspector Waterbury gives the news that one Collings, a member of the brotherhood, and a typical outlaw with sombrero and "chaps," had been cuptured by the federal authorities and the tiuif railroad detectives, after an exciting chase, and is now being tried in the United states district court there or the charge of holding up and robbing a train last spring near Folsom, N. M. ollings was assisted by two others, preamably Tom Ketchum and J. Carter, who are now in Sonora. Ketchum, by right of succession, is the worst dare devil of the gang, has succeeded to the

itle, and is now Black Jack, or the chiet. The three men flagged the train, dyamited the express car while covering he engineer and fireman and messen cers, and made off with beween \$3,000 and \$4,000. The trio wore no masks, for t is an unusual thing in the Black Jaca

gang for the features to be disguised. While his two pals struck out for the orders, Collings made his way to Arizona.
